### **Mr. Grossman's Last Words were "Ahavas Yisrael" - Something for Men and Women!**

HILCHOS BEIN ADOM L'CHAVERO EMAIL LEARNING LAUNCHED IN WAKE OF GROSSMAN EXECUTION

Tremendous Achdus Generated; Condemned Man's Last Words Were 'Ahavas Yisroel'

On February 16, 2010, Martin Grossman was executed by the State of Florida.

In the weeks preceding the execution, there was a remarkable outpouring of support from Jews around the world. Jewish people of every 'label' and stripe participated in the struggle to save Martin's life. Unfortunately, all the efforts to save Martin's life were unsuccessful. On the morning after his tragic death, what can we do to hold on to the tremendous inspiration that this campaign engendered?

The demonstration of ahavas Yisrael and achdus was phenomenal. Indeed, Mr. Grossman's final words were "... Ahavas Yisrael!

It seems obvious that Klal Yisrael should strengthen itself in ahavas Yisrael and Bein Adom L'Chavero. The Beis HaMikdosh was destroyed due to Sinas Chinam, and averos Bein Adom L'Chavero. Certainly, an effort to strengthen ahavas Yisrael will hasten the coming of Mashiach and the rebuilding of the Beis HaMikdosh.

Towards this end, Linas HaTzedek: The Center for Jewish Values announces an important new program. Today, the very day after Martin Grossman's unfortunate death, the Center is launching a worldwide email list with a daily learning portion of Hilchos Bein Adom L'Chavero. Participation will be completely free. Subscribers will receive short daily emails on Hilchos Bein Adom L'Chavero.

The material will be based on The Code of Jewish Conduct, an English guide to Hilchos Bein Adom L'Chavero, written by Rav Yitzchak Silver under the Center's auspices. It will also be possible to receive a Hebrew version, from Rav Silver's Sefer Mishpatei HaShalom.
